

All 5's, a sister company and strategic partner of The PENTA Building Group, is seeking a **Concrete Estimator** to join our team in **Las Vegas, NV!**

The Concrete Estimator will be responsible for the estimating and logistics coordination with operations for all self-perform concrete opportunities in Las Vegas. The Concrete Estimator reports to Directors of Preconstruction and takes project specific direction from Lead Estimator assigned to a project.

To perform this role successfully, the ideal candidate:

- Prepares preliminary estimate and meet with Operations team for their input on production rates and formwork systems.
- Prepares the concrete estimate, including labor productions, equipment productions, materials, and subcontractor pricing ready for the Lead Estimator and Director of Preconstruction assigned to the project, review, and approval.
- For successful projects, finalizes estimate in job-cost format ready for insertion into project accounting system to track actual production rates.
- Monitors weekly labor reports and communicates with Operations to understand cause of any variances from estimate.
- Prepares preliminary estimates and meet with Operations team for their input on production rates and formwork systems.
- Prepares the concrete estimate including labor productions, equipment productions, materials, and subcontractor pricing ready for the Lead Estimator and Director of Preconstruction assigned to the project, review, and approval.
- For successful projects, finalizes estimate in job-cost format ready for insertion into project accounting system to track actual production rates.
- Monitors weekly labor reports and communicates with Operations to understand causes of any variances from the estimate.

We trust that you have:

- 1-5 years of experience in Estimating or a Project Engineer role with preconstruction exposure.
- Experience with concrete projects or a different self-perform trade.
- Competency with MS Excel, WinEst, Sage Timberline, On-Screen Takeoff software, AutoCAD, SureTrak, Prolog, and Windows based computer software are preferred.
- Fluency in reading, quantifying, and analyzing construction drawings.
- A competent understanding of construction scheduling and sequencing.
- Strong organizational and time management skills.
- Good interpersonal skills and the ability to communicate effectively both verbally and in writing.

What we offer:

- A fun and enjoyable work environment
- Sick Pay
- Medical/Dental/Vision
- Paid vacation
- Incentive compensation
- Team Events
- Wellness Program
- Employer paid Dependent Care
- Volunteer opportunities

As an employee focused company, All 5's offers a unique culture that is comfortable and fun to work in. In addition to health and welfare benefits, we offer company sponsored events for our employees as well as extensive training and development programs to help pursue their career goals.
